COMPANY PROFILE

Valve Solutions Africa (PTY) LTD, established in 2010, is a supplier of valves, fittings, piping, and flanges based in Johannesburg. The company keeps a range of valve products in stock such as Ball, Gate, Globe, Check, Butterfly Valves as well as others. The following Industries are serviced: Oil and Gas, Petrochemical, Mining, Water and Power. We offer our customers standard valves (Off the shelf valves), Severe Service

Valves (High Pressure/High Temperature) and custom-made valves to operate in difficult applications (These valves are manufactured within a short period of time from concept to manufacturing and testing). We are a 100% Black Owned and Level One Contributor.

The company considers its focus on quality as the main tool to obtain significant business results. Valve Solutions Africa is proud to offer products to the market bearing the approval of numerous international bodies. VSA has established a proud reputation for finding and applying the correct solution to every application without fail.

VISION

To be our customers trusted partner and provider for Valves, Piping, fittings and flanges. With the support of our team of professionals and our well-developed robust infrastructural facility, we are capable to provide our clients with a high-quality assortment of industrial valves.

We practice ethical business policies and maintain transparencies in our dealings, which has enabled us to establish vast customer base across the industry. Our expert technocrats make dedicated efforts to fabricate streamlined product range.

Supply

To provide South African customers with products imported from global manufacturers as well as supply global suppliers/customers with South African manufactured goods where possible.

Build

Long Term relationships with customers and global manufacturers.

Contribute

To the Customers Goals and reduce their total cost of ownerships from purchasing inferior goods.

Develop

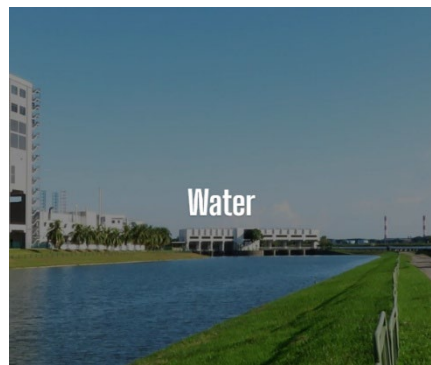

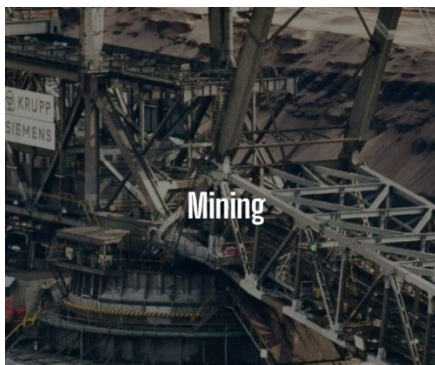

BBBEE Service Providers and create Black Industrialists in S.A.

VALUES

“Our service support and abilities remain uncompromised because we know we can place our trust in our people and suppliers to deliver at the highest possible level of excellence on time, EVERYTIME”.

INDUSTRIES SERVICED

PRODUCTS

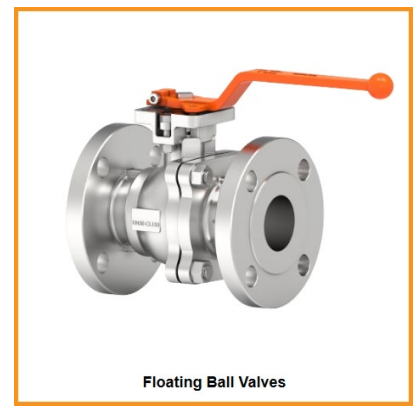

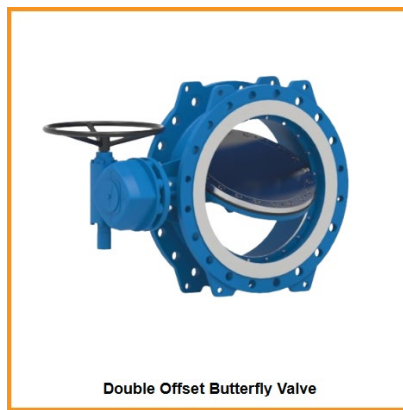

- Ball Valves
- Magwen Tri-Ball
- Magwen Severe Service Isolation Ball Valves
- Check Valves (Non Slam Axial Flow Check Valves manufactured to Order)
- Ball Check Valves
- Axial Flow Control Valves
- Gate Valves
- Rotary Disc Gate Valves
- Knife Gate Valves
- Globe Valves
- Butterfly Valves (Double Offset and Triple Offset)
- Pinch Valves (Open and Enclosed)
- Diaphragm Valves
- Plug Valves
- 4 Function Non Slam Air Release Valves
- DBB Expanding Plug Valve
- Pressure Reducing Stations
- Pressure Reducing Valves/Regulators (Spares kept in Stock)
- Piping
- Flanges
- Accessories

VSA has been appointed by MAGWEN VALVES as a DISTRIBUTOR in AFRICA in March 2026

Founded in Germany in 1992, Magwen Valves has over 30 years of experience in delivering world-class valve solutions for the most challenging applications in key industries such as natural gas and petrochemicals (upstream to downstream), water infrastructure, chemical processing and energy production. From here, it innovated a variety of solutions and product categories for specialized customer requirements.

Products

- Double Offset Butterfly Valve
- Triple Offset Butterfly Valve
- Axial Flow Control Valves
- Non-Slam Axial Flow Check Valves
- Magwen Tri-Ball Valve
- Floating Ball Valves
- Severe Service Isolation Ball Valves
- Trunnion Mounted Ball Valves
- 4 Function Non-Slam Air Release Valves

DUAL VALVES

VSA has been appointed by Dual Valves as a DISTRIBUTOR for DUALS RANGE OF PRODUCTS IN AFRICA (INCLUDING SOUTH AFRICA)

The Dual Valves Team has more than 40 years experience in technical and valve engineering in the slurry industry. We ensure our products are designed to suit customer specifications and requirements. Our team has designed valves from the ground up, based on application, pressure rating, Face to Face and size.

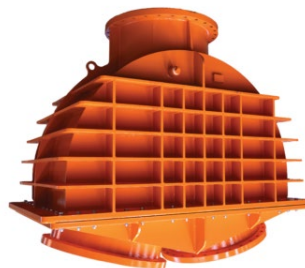

Based in Apex Industrial, Benoni, South Africa, we pride ourselves in being a local manufacturer of our entire range of products.

We manufacture a comprehensive range of Gate Valves, Pinch Valves, Ball Check Valves and many more.

With a strong team of determined and hard working engineers lead by Stephen Van Rensburg, we have successfully tackled some of the largest valve projects and have shipped our extensive range across the world.

Products

- Knife Gate Valves
- Gate Valves
- Pivot Gate Valves
- Ball / Check Valves
- Pinch Valves
- Air Release Valves
- Diaphragm Valves
- Actuators
- Valve Parts
